# State of New Hampshire

---

To the inhabitants of the town of Haverhill qualified to vote in town affairs:

You are hereby notified to meet at the town hall in said town on Tuesday, the 11th day of March, 1924 at ten of the clock in the forenoon to act on the following matters:

Article 1. To choose a town clerk.

Article 2. To hear the reports of the selectmen, treasurer, cemetery commissioners, and any other town officers heretofore chosen, and to pass any vote relating thereto.

Article 3. To choose one selectman for the term of three years, a town treasurer; one or more highway agents, one or more auditors, one library trustee for the term of three years, one cemetery commissioner for the term of five years, one trustee of trust funds for the term of three years, and all other necessary town officers.

Article 4. To raise and appropriate money for the support of the poor.

Article 5. To raise and appropriate money for the construction of state trunk line roads.

Article 6. To raise and appropriate money for maintenance of state trunk line roads.

Article 7. To raise and appropriate money for the construction of state aid roads.

Article 8. To raise and appropriate money for maintenance of state aid roads.

Article 9. To raise and appropriate money for removal of snow on trunk line and state aid roads.

Article 10. To raise and appropriate money for laying out, building and repairing highways and bridges.

Article 11. To take the sense of the voters relative to repairing or building the bridge across the Oliverian Brook between East Haverhill village and Oliverian station, and to pass any vote relating thereto, or appropriate money therefor.

Article 12. To raise and appropriate money to pay interest and principal of outstanding town notes.

Article 13. To authorize the selectmen to issue interest-bearing orders or notes to provide for current town expenses in anticipation of taxes, and to see what action the town will take relative to refunding notes given for expenses incident to rebuilding the Woodsville-Wells River Bridge; and to pass any vote relating thereto.

Article 14. To raise and appropriate money for town libraries.

Article 15. To see what action the town will take with reference to the sale of town histories.

Article 16. To raise and appropriate money for Memorial Day.

Article 17. To raise and appropriate money for cemeteries in said town, and pass any vote relating thereto.

Article 18. To raise and appropriate money for making of permanent maps of every cemetery in the town to show the location of every known soldier's grave therein.

Article 19. To raise and appropriate money for the support of the Cottage Hospital.

Article 20. To raise and appropriate money to exterminate white pine blister rust in said town.

Article 21. To raise and appropriate money for other town charges.

Article 22. To see if the town will authorize the selectmen or other agent to make some change in the contract existing between the town and Paul N. Howe with reference to the sale of gravel, or to cancel said contract.

Article 23. To see if the town will vote to appoint a budget committee to supervise the appropriations of said town and to recommend to the next annual meeting the amounts to be raised for various purposes, such recommendations to be printed in the next annual report.

Article 24. To transact any other business proper to come before said meeting.

Given under our hands and seal this ninth day of February, 1924.

JONAS N. BROWN,  
ARTHUR E. DAVIS,  
WESLEY G. WHITE,

Selectmen of Haverhill.

A true copy. Attest:

JONAS N. BROWN,  
ARTHUR E. DAVIS,  
WESLEY G. WHITE,

Selectmen of Haverhill.

# Report of Selectmen

---

To the Citizens and Taxpayers of Haverhill:

The Selectmen submit herewith their report for the year ending January 31, 1924. Upon the following pages will be found detailed statements.

The Woodsville and Wells River bridge has been completed with the exception of two coats of painting which the engineers and selectmen of the two towns think advisable to postpone until warm weather. The sum of \$628 has been retained from the contract price for the purpose of painting the bridge.

The total cost of building the new bridge, removing the old bridge from the river and planking the railroad bridge to date is \$8,748.28. The sum of \$16,750.64 the towns of Haverhill and Newbury have divided equally, the balance was divided according to the valuation of the towns which in percent figures Newbury 31 and Haverhill 69 which makes the total cost to the town of Haverhill \$57,179.56. The sum of \$45,699.02 was paid in 1923 and the balance in 1922.

The sum of \$10,000 was received from the state of New Hampshire and \$5,000 from the County of Grafton to apply on the construction of the new bridge.

## TRUNK LINE CONSTRUCTION

Whereas at the last annual meeting held March 13, 1923 the town voted to enter into an agreement with the State and Federal Government to construct a piece of road through Main Street at North Haverhill of about 7000 feet at an estimated cost of \$41,200. The state highway department asked for bids for this contract. Three companies sent in their bids, the lowest bid being from the Robie Construction Co. of Manchester, N. H., and they were awarded the contract.

The road is constructed as follows: 8 inches field stone, 3 inches crushed gravel and 2 inches asphalt. The town has now 1 3-10 miles of as fine a road as there is found in this state at a cost of \$38,856.16 of which one third of this figure is the total cost to the town of Haverhill.

It was voted to spread the cost of this road over a term of three years. The sum of \$4,444 was assessed

in 1923 the sum of \$8,508 which is the balance to be assessed in 1924 and 1925.

The Trunk line and state aid roads have been oiled with heavy oil which in our judgment is the only way to preserve our roads after construction.

The residents of the Town of Haverhill may feel proud of the state aid roads of the town as no better roads are found throughout this state.

## HIGHWAYS

By reason of the new valuation, Woodsville gains two percent which makes the division of the highway appropriation equal entitling the Woodsville Fire Precinct to one-half of all money appropriated for highways.

On account of work done by E. Bertram Pike on Cutting Hill last year in the amount of \$600 and the amount of \$1,531.06 which was due George B. Silver January 31, 1923 for work done up to that date, also the heavy snow bills of that winter and spring the town was obliged to exceed their part of the highway money raised at the last annual meeting.

## FINANCIAL

On account of the heavy cost of building the Woodsville-Wells River bridge for which no appropriation was made also the balance of the money which was expended in building the Federal Aid road which was not assessed this year, the selectmen have been obliged to increase the town indebtedness in the sum of \$25,201.49.

Acting on a suggestion of the town auditors we have reduced the valuation of the town histories \$1,000.

Owing to a misunderstanding of the State law concerning poll tax payments to the State in 1920 the town has been one year behind on poll tax payments. This year we have paid the State what was due on 1922 collections and have also paid that due on 1923 collections.

Respectfully submitted,

JONAS N. BROWN,  
ARTHUR E. DAVIS,  
WESLEY G. WHITE,

Selectmen.

## RECOMMENDATION OF THE BUDGET COMMITTEE

---

### Amounts That Should Be Raised

For the convenience of the voters the budget committee give the following suggestions for amounts to be raised at town meeting:

*For State highway trunk line construction.	
*For Maintenance of trunk lines.	
*For State roads, permanent improvements.	
*For Maintenance of State Aid roads.	
For Highways and bridges	\$1,600 00
For Town libraries	900 00
For Maintenance of Poor	800 00
For Memorial Day	100 00
For other Town charges	3,500 00
For snow removal	500 00

Respectfully submitted,

HERBERT E. SMITH,  
MOSES A. MEADER,  
DENNIS R. ROUHAN.

---

### LIST OF APPROPRIATIONS

	Approp.	Expend.

By Ellen S. Mann Fund	150 00
	<hr/>
	\$11,900 00

The income from the Southard fund has been divided between two school districts, Haverhill School, \$101.75 and Woodsville School, \$100.25.

The income from the trust funds from the care of cemetery lots amounting to \$243.04 has been paid over to John Eastman and Harold Davison, the respective treasurers of the Haverhill and Woodsville Cemetery Association, who have been delegated by the Selectmen to expend the same.

The Income from the Carbee fund, \$6.06, has been paid to the Treasurer of the Cottage Hospital.

All the above trust funds are deposited in the Woodsville Guaranty Savings Bank, except the Liberty Bonds, and Woodsville School Bonds.

Bonds and Bank Books are kept in Safe Deposit Box at the Woodsville National Bank.

Respectfully Submitted,

J. E. EASTMAN,  
D. R. ROUHAN  
EMILE BLANK,

Trustees Town Funds.

## WARRANT FOR ANNUAL MEETING, 1924

### State of New Hampshire

To the inhabitants of the Woodsville Fire District in the Town of Haverhill, State of New Hampshire, qualified to vote in district affairs,

You are hereby notified to meet at the Woodsville Opera House, in said district on March the 28th, 1924 at thirty minutes past seven o'clock in the afternoon, to act on the following matters:

1. To choose a moderator.
2. To choose a clerk
3. To choose a treasurer.
4. To choose an auditor.
5. To choose one commissioner for the term of three years.
6. To choose one water and light commissioner for three years.
7. To hear the reports of all officers heretofore chosen and to pass any vote relating thereto.
8. To raise and appropriate such sums of money as may be necessary to meet the expenses of the district for the coming year.
9. To see if the district will vote to authorize the commissioners to borrow on the credit of the district, such sums of money as may be needed to defray expenses until the taxes shall have been collected and turned over to the district, and to issue the notes of the district for all sums so borrowed.
10. To determine what action the district wishes to take in raising money to pay off the Clark Pond note of \$5,000.

11. To raise and appropriate such sums of money as may be needed for the Fire Department.

12. To see if the Precinct will vote to authorize the Water and Light Commissioners, to borrow a sufficient sum of money to complete the well on the Island and furnish the Precinct with pure drinking water.

13. To see if the Precinct will vote to authorize the Water and Light Commissioners to install another water pump for additional fire protection.

14. To see if the district will vote to rescind the action taken at the adjourned meeting of the district held April 27, 1923 with reference to improvements on the electric light plant and the authority to borrow \$20,000.00.

15. To see if the Precinct will vote to authorize the Water and Light Commissioners to install a new engine driven generator, and make other necessary repairs, and to issue bonds to cover expenses of said improvements, not to exceed \$25,000.00.

16. To transact any other business proper to come before said meeting.

Given under our hand and seal the 22nd day of February in the year of our Lord, one thousand nine hundred and twenty-four.

W. E. GORDON,  
A. C. SAULT,  
C. E. BATTIS,

Commissioners.

W. E. GORDON,  
A. C. SAULT,  
C. E. BATTIS,

Commissioners Woodsville Fire Dist.

---

### AUDITOR'S REPORT

---

On February 8, 1924 I examined the books of the treasurer and commissioners of the Woodsville Fire District and found them properly kept and correct. The bank balance, notes and coupons outstanding, and debt of the district is as reported by the treasurer.

On February 13 I examined the books of the commissioners of the Water and Light Department and found them correct for 15 months ending December 31, 1923. The bank balance and the cash on hand amounted to \$1,617.96, against which were two outstanding orders totaling \$52.65.

Respectfully submitted,

NORMAN J. PAGE.

## WOODSVILLE UNION HIGH SCHOOL DISTRICT

---

### REPORT OF THE SUPERINTENDENT OF SCHOOLS

---

To the School Board and Citizens of Woodsville High School District:

I am herewith presenting my thirteenth annual report, the seventeenth in the series of district superintendents' reports.

The total registration for the present school year is slightly less than in preceeding years. For several years there has been a falling off in school enrollment. This is true of the first eight grades and not of the senior high school. Of course this simply means that there are fewer children of school age in town than formerly. There are enrolled to date in the first six grades 230 pupils, in the junior high 64 and in the senior high 145, making a total of 429 pupils.

I am giving below the names of the teachers for the current year and the positions they occupy.

Senior High School: G. Hampton McGaw, Headmaster, French, Latin and United States Constitutional History; Fred H. Eastman (resigned Dec. 21), Henry N. MacIntyre, Algebra, Latin and Economics; Carroll H. Lowe, Science and Mathematics; Elva A. Buckley, Commercial Subjects; Miriam Taggart Smith, English and History; Martha H. Foster, Domestic Arts; Bertha C. Manchester, English and Manual Training.

Junior High School: Nettie W. McCoy, Principal, Mathematics, History, Literature and B. and C. Subjects; Martha Bishop, French, Science, History and B and C Subjects.

Grades: Helen A. Franklin, VI; Mary Mitchell Mann, V; E. Mae Hastings Cnossen, IV; Marjorie Morrison Whittemore, III; Lida A. Caldon, II; Florence S. Lang, I; Alice M. Brown, Music; Lottie M. B. Underhill, School Nurse.

The following 20 pupils of the grades were not absent nor tardy during the entire year: Nathan Brill, Renato Castello, Luigi Castello, Dorothy Cummings, Charlotte Davison, Harold Downer, Letizia Duca,

James Fullerton, Mary Fullerton, Alberta Gallant, Clarence Knox, John Mann, Dorothy Mann, Miriam Page, Ned Smith, Esther Stoughton, Barbara Wallace, Audrey White, Gladys Wilson, Ethel Woodbury.

The per cent of attendance in all schools for the year ending June 30, 1923 was 95, one less than for the preceeding year. The tardy marks, however, dropped from 467 to 392, an average of less than one per pupil. The number of no-school days also fell from 6 1-2 to 5 1-2 which is about as low as can be expected unless the vacations are arranged to include Thanksgiving Day and Memorial Day.

I am convinced that the school year in Woodsville should be lengthened to 38 weeks. The year could begin one week earlier and continue one week later without infringing on the summer vacation. There would be no extra expense for heating and lighting and a thousand dollars would very nearly cover the extra cost of salaries. The annual budget is made out on the basis of a 36 week year but I am hoping that this matter may be favorably discussed at the district meeting.

Because some 50 per cent of the tax raised in Woodsville goes to the support of schools, the average tax payer gets the impression that our schools are unduely expensive. It may be a relief to know that the cost per pupil in the Woodsville schools for the year 1922-23 was \$71.43 while the average for the state was \$75.49. All will be satisfied to remain below the average in this item of cost as long as the efficiency of the schools is kept above it.

The included report of Headmaster McGaw gives an interesting and detailed account of the activities of the high school. So many of the tuition pupils come and go each day by train that it is necessary to have most of the recitation between trains. This makes a short school day and limits the number of classes per teacher. As a result certain subjects can not be given, new subjects can not be introduced, and existing classes can not be divided, though the need is imperative. The satisfactory solution of this problem seems to involve the expense of an additional teacher.

Miss Underhill as school nurse is showing excellent results. She has fine cooperation on the part of

pupils, parents and teachers. Pupils are learning invaluable lessons in the care of their bodies and in habits of eating and exercise. Large numbers of children have recently visited the dentist, 84 from the high school alone. Over six dozen half pint bottles of milk are brought to the grade building daily for these pupils especially who are under weight. Parents have shown themselves very ready to pay for the milk, if the teachers would take charge of the distribution.

During the year ending June 30, 1923 the school records show 849 visitors. The number indicates a helpful interest in the work of the schools on the part of parents and other citizens. I am sure, too, that the teachers merit from the public in some way an expression of appreciation of their earnest and efficient services. Their task is a most difficult one and sometimes a word of approval is worth more than a raise in salary.

Respectfully submitted,

NORMAN J. PAGE.

---

## REPORT OF THE HEADMASTER

---

To the Superintendent of Schools:

I offer herewith my sixth annual report of the Woodsville High School, covering the year ending to-day.

### Statistics for the Current Year

3

Present every session for the year 1922-

1923

18

Recent graduates now in school or college 42

There are 52 tuition pupils, coming from twelve towns—Bath 6; Benton 1; Haverhill 6; Orford 1; Rumney 1; Warren 2; Wentworth 14; Fairlee, Vt., 3; Montgomery 1; Newbury 3; Ryegate 13; Wells River 1. This is five more than last year. About forty pupils take lunch at the schoolhouse every day, and a teacher is assigned to be in charge of the building at the noon hour.

The program of studies at present is as follows:

Academic Curriculum—1st year: English, Latin, Algebra, French; 2nd year: English, Caesar, Geometry, French; 3rd year: English, Cicero, Physics, Ancient History; 4th year: English, Virgil, U. S. History, Review Mathematics, Chemistry or Economics.

General Curriculum—1st year: English, History of Civilization, (and two of) Algebra or French or Household Appliances; 2nd year: English, Geometry, (and two of) Science or French or Nursing or Commercial Geography; 3rd year: English, Physics, (and two of) Modern History or Spanish or Household Organization; 4th year: English, U. S. History, Economics, (and two of) Chemistry or Review Mathematics or Spanish or Household Management.

Commercial Curriculum—1st year: English, Bookkeeping, (and two of) Algebra or French or Household Appliances or History of Civilization; 2nd year: English, Bookkeeping, (and two of) Geometry or Science or French or Nursing or Commercial Geography; 3rd year: English, Stenography, (and two of) Physics or Household Organization or Spanish or Modern History; 4th year: Stenography, English, U. S. History, (and two of) Economics or Household Management or Chemistry or Review Mathematics or Spanish.

Persons interested in a pupil's career should give careful consideration to the program because one of the most difficult things is to select the most suitable course of study at the beginning of high school days. Too many pupils choose what appears to be easy or attractive, and later regret that they have not had the real foundation subjects. A pupil who likes to study, and who wants to get the best development

during these early years, makes no mistake in selecting the old-fashioned Academic Curriculum—Latin, Algebra, Geometry, French, Physics, History and the rest. For such pupils a year of bookkeeping, stenography, or household arts may readily be added as an extra. It is always a satisfaction in maturer years to have pursued studies with which people of liberal culture are familiar.

The twenty-seventh graduation exercises were held on June 14, 1923. The class included the following twenty-three pupils:—Albert M. Bailey, Madeline B. Bassett, Robert A. Beattie, Edna M. Blodgett, Stanley E. Champou, Kenneth M. Chandler, Elsie E. Darling, Margaret A. Eames, Lloyd L. Evans, Annie M. Gebbie, M. Lucie Gordon, Charles W. Greenwood, Priscilla N. Hall, Gertrude M. Heath, Barbara G. Howland, Harold L. Marden, Americo J. Rosa, Cloyed L. E. Ross, Laura R. Sargent, Lyle A. Smith, William J. Troup, Loeita E. Ward, Severino G. Zambon.

First honor was taken by Annie Gebbie, and second honor by Gertrude Heath.

The Alumni attainment medal, which is given because of worthy scholarship, participation in varied activities, character, and promise of usefulness, was awarded to Loeita Ward. The special feature of graduation week was the presence of Mr. S. W. Robertson, principal of W. H. S. from 1896 to 1905, and now connected with the High School in Santa Barbara, California. This was Mr. Robertson's first visit since he left Woodsville eighteen years ago, and he and Mrs. Robertson were the guests of honor at all the school functions. Mr. Robertson presented the diplomas and the alumni medal, and addressed the townspeople, expressing his appreciation and satisfaction in the development and present condition of the school, and affording much pleasure to the many former pupils and friends who were associated in the school work during his principalship.

The Alumni association has now as active members about two-thirds of the total 296 graduates. The yearly picnic and the annual banquet took place as usual.

The annual Prize Speaking contest was held on May 4, 1923, with first prizes to Frank Woodward and Dorothy Blake, second prizes to Edward Strobridge

and Gwendolyn McMeekin, and honorable mention to Ernest Hubbard and Barbara Page. Mrs. Luvia Mann Mank trained the speakers. The following week five pupils entered the interscholastic speaking contest at the State University and Woodsville won the second of the three prizes offered, the silver medal being awarded to Gwendolyn McMeekin.

Early in May a letter of welcome and helpful suggestion was sent to the eighth grade pupils. A one-hundred per cent record was established this year when every graduate from the eighth grade in June entered High School in September.

Certificates printed in the school colors and bearing the seal were awarded to twenty-one pupils at the close of school in June in recognition of a superior grade of scholarship.

The preliminary session preceding the opening week is a decided advantage, and shall be continued as a part of the year's routine.

National Education Week in November was observed by a community meeting at which several citizens spoke on the worth of education.

The school has enjoyed a dozen or more varied addresses made by visitors and teachers.

Woodsville joined the New Hampshire Debating League for the first time, and sent teams against Kimball Union Academy, Whitefield High, and Stevens High at Claremont. The question was upon the 48 hour law. W. H. S won unanimously in the first instance, and lost by a 2 to 1 decision in each of the latter two.

On February 23 and 24 about seventy pupils took part in "The Runaways", a musical comedy, produced by Mr. and Mrs. Louis Philbrook, who were engaged to stage the affair.

The Cycle has been published as usual. The "New Hampshire" issue of March 1923 was sent to selected high schools in every state of the Union, and a gratifying list of exchanges was thus established.

The orchestra has appeared at several functions in town, as well as in the schoolhouse.

The Lyceum has carried on its usual programs. It may be interesting to note that during the last five years over seven hundred dollars have been expended

from the Lyceum treasury to purchase apparatus and furnishings of permanent value in the school equipment. The most recent acquisition has been an Aeolian music machine of fine model.

News items of current activities have been furnished almost every week to the local newspapers; and a fairly complete scrap-book of programs and clippings has been compiled, and is now being added to. All this matter may be of value in future years to persons interested in the history of the school.

G. H. McGAW

January 26, 1924.

**FINANCIAL STATEMENT OF THE WOODSVILLE  
UNION HIGH SCHOOL DISTRICT FROM  
JULY 1, 1922 TO JUNE 30, 1923.**

**RECEIPTS**

From taxation:

Support of elementary schools	\$13,000 00	
Support of high school	11,122 50	
Salaries of district officers	80 00	
Payment of debt	1,000 00	
Payment of interest	1,057 50	
Payment of per capita tax	754 00	
Woodsville Free Public Library	300 00	
		\$27,314 00

From other sources than taxation:

Dog licenses	372 95	
Elementary school tuitions	679 50	
High school tuitions	2,441 80	
Income from local trust funds	100 10	
Sale of property	348 24	
Proceeds notes, money borrowed	8,400 00	
Other receipts	70 00	
		\$12,412 59
Cash on hand July 1, 1922		141 96
Total receipts		\$39,868 55

### AUDITOR'S REPORT

---

Woodsville, N. H., June 30, 1923.

I hereby certify that I have this day examined the books and accounts of the School Committee and Treasurer of the Woodsville Union High School District for year ending June 30, 1923, and find them correctly cast and properly vouched. I found that the accounts have been overdrawn for \$1.99 same to be adjusted in next year's account.

I also certify that in the presence of the Chairman of the School Committee and the Treasurer, I have this day destroyed two Bonds Nos. 17 and 18 of series A for \$500 each also all coupons due July 1, except Coupons 11 and 12 to Bond 18 and 16 to Bonds 45, 46 and 55 @ \$11.25 each and coupon 15 to Bonds 30 for \$2.25 and all coupons No. 17 to outstanding Bonds amounting to a total of \$576.00.

There is on deposit in the Woodsville National Bank \$576 in the Bond account to pay all outstanding coupons.

E. R. BALL, Auditor.

## TOWN SCHOOL DISTRICT WARRANT

### State of New Hampshire

To the Inhabitants of the School District of the Town of Haverhill, who are qualified to vote in district affairs,

You are hereby notified to meet at the Town Hall, in said district, on Saturday the 22nd of March, 1924 at 10 o'clock of the forenoon to take action on the following:

Article 1. To choose a moderator for the ensuing year.

Article 2. To choose a clerk for the ensuing year.

Article 3. To consider the reports of the school officers to June 30, 1923, and pass any vote pertaining thereto.

Article 4. To choose a treasurer for the ensuing year.

Article 5. To choose a member of the School Board for the ensuing three years.

Article 6. To choose an auditor for the ensuing year.

Article 7. To see if the District will vote to raise and appropriate the sums of money for school purposes as recommended in the budget published in the Town Report.

Article 8. To see how much the District will vote to raise and appropriate for repairs and alterations of school houses.

Article 9. To see how much the District will vote to raise and appropriate for the transportation of High School Students.

Article 10. To see if the District will vote to raise and appropriate the sum of \$280.00 to defray

High School Tuition of four students living in the Four-Corner District so-called, for the current school year.

Article 11. To see if the District will vote to raise and appropriate the sum of Two Thousand One Hundred Eight Dollars and thirty-four cents (\$2,108.-34), to retire installment of One Thousand Nine Hundred Sixteen Dollars and sixty-seven cents, (\$1,916.67) due February 1925 on the note given The Woodsville Guaranty Savings Bank in connection with the installation of the new heating plants at Haverhill Academy and North Haverhill School, also paying accrued interest thereon.

Article 12. To see what sum of money the District will vote to raise and appropriate to pay for the services of the Superintendent.

Article 13. To see what sum of money the District will vote to raise and appropriate to pay for the services of the School Board, Treasurer, and other officers elected at the annual School Meeting.

Article 14. To see if the District will authorize the School Board to borrow money on its notes until the taxes shall be collected.

E. BLANK,  
DANIEL CARR,  
FRED C. RUSSELL,

School Board of Haverhill.

---

## REPORT OF THE SCHOOL BOARD OF HAVERHILL

---

The undersigned members of The Haverhill School Board desire to call the attention of the voters and tax payers to the various reports covering the activities for the past year, and especially to the annual reports of our Superintendent and of the Headmaster of Haverhill Academy.

Many repairs and improvements were made at different school houses during the past year. The chief permanent improvements made were the installations of new vapor heating plants at Haverhill Academy and

North Haverhill School House. The contract for the work was awarded to H. J. Goodrich of St. Johnsbury, Vt., and the jobs were completed to the satisfaction of the Board. The members of the Board extend a cordial invitation to the voters and tax payers to inspect the new heating plants. The total expense of installing these heaters was about \$6,200.00 or about \$450.00 above the amount appropriated by the District at the last annual meeting. This extra expense was due chiefly to the constructing of permanent vestibule-enclosures at both buildings, also providing all the windows with new adjusters, in order to insure a more uniform heating of the buildings.

At the Haverhill Academy a new recitation room for High School use was created by changing the room formerly used for Manual Training and the Cloak Room adjoining into one room equipping the same with necessary blackboards and recitation charts. Electric lights were also installed in that room.

The old well on the south side of the building had each spring been the cause of water covering the floors in the basement, and it was decided by the Board to drain the well, fill it with stones and permanently cover it for safeguard. In order to do this it was necessary to lay tile-pipes across the school yard and street as far as the ditch of the Common. Similar work was carried out between the work-shop and Pearson Hall.

At Pike School the larger part of the roof was newly shingled. At East Haverhill School the roof was provided with a new covering, and a water system was also installed in that building.

At No. 10 District the foundations of the little building were repaired necessitating a large amount of cement work. More repairs on that building are contemplated during the coming summer.

At North Haverhill School the Board was confronted with unexpected expense. The torrential rains of last spring inundated and completely washed out the bank leading down to the water-pump house, and during the fall term a stoppage in the drain pipe caused the School Board considerable concern. Both items called for an outlay of about \$400.00.

In order to acquaint the tax payers with the financial condition of the District at the present time we beg to submit a financial statement showing the

approximate assets and liabilities of the District.

The School Board also desires to draw the attention of the voters and tax payers of the District to the budget for the fiscal year from July 1st 1924 to June 30th 1925.

The retiring member of the Board is Dr. Fred C. Russell of Haverhill.

Respectfully submitted,

E. BLANK,  
DANIEL CARR,  
FRED C. RUSSELL,

School Board of Haverhill.

Haverhill, N. H., Jan. 31, 1924.

---

## REPORT OF THE SPERINTENDENT OF SCHOOLS

---

To the School Board and Citizens of Haverhill School District:

I am offering you my thirteenth annual report.

The total registration to date is 383, three more than last year. I give below the number of pupils in each school with the name of the teacher.

Haverhill Academy: Justus C. Bailey (deceased), Carl E. Howland, Headmaster, 80 pupils; Edith Morrill, Henry Dockler, Grace Miner and F. J. Carpenter, assistants; Haverhill Grammar, Minnie Morris, 28; Haverhill Primary, Rosie B. Smith, 27; Ladd Street, Zilla Rodliff, 20; Pike Grammar, Hazel Hardy Russell, 20; Pike Primary, Mabel Tragansa, 23; East Haverhill Grammar, Joy M. Bemis, 24; East Haverhill Primary, Eva Corlis, 19; Number Six, Elma Howard, 14; Number Ten, Mary G. Leahy, 13; The Center, Lily Ward Sawyer, 24; Brier Hill, Gertrude Walker, 19; North Haverhill Grammar, Mildred Foster, 17; North Haverhill Intermediate, Carrie Lane, 28; North Haverhill Primary, 33.

The death of Headmaster Bailey early in November was a serious loss both to the school and the community. For nearly six years Mr. Bailey was Headmaster of Haverhill Academy and taught the classes in agriculture. He was a man of high ideals, always courteous, genial and just in his relations with pupils and fellow workers. He was invariably a gentleman in whatever situation circumstances found him. Through his earnest efforts the school showed decided progress and the community profited by his willingness to accept the responsibilities of citizenship. It was a rare privilege for us all to have been associated for a time with Mr. Bailey.

Because of the small number of pupils only two teachers have been employed at Pike this year. There has been no practical arts taught in the grades this year. To my mind this is a step backward. Not only should manual training and domestic science be taught in the village schools but also to some extent in the rural schools. We have long heard the criticism that the schools do not teach practical subjects. Yet, when opportunities for training are offered in subjects fully as practical as reading, writing and arithmetic the public frowns and takes the attitude that children now need no different education from that their fathers and mothers got. Progress in any line does not result from that type of thinking. Modern education must adapt the child to his environment and for this reason too much emphasis is not likely to be put on such subjects as cooking, sewing, manual training, farming, civics, nature study and the like.

The attendance record for 1922-23 was very poor. Very likely the long and severe winter offered an excuse. The per cent of attendance was 91, two less than for the year preceeding. The number of tardinesses increased from 851 to 936 and there were on an average 6 no-school days.

Only 13 pupils were neither absent nor tardy during the year: Burton Cady, Winifred Clough, Ethel Fisher, John Getchell, Emily Gregory, Letitia Hardy, Romina Howard, Philip Howard, Charlotte Keith, William Lange, Walter Morris, Leslie Wilson, Bertice Wheeler.

The following pupils of grade eight were promoted to high school: Madalyn Burns, Leonard Clifford,

Birdie Dennis, Virginia Douglas, Arthur Ellsworth, Lydia Fillian, Eva Fortier, Cora Fortier, Robert Harris, Kathleen Keith, Carol Lavoie, Russell McAuley, Herman Morrill, Mary Morrill, Andrew Moses, Edith Nelson, Elizabeth Pike, Delia Prue, Frank Stevens, Laurence Smith, Ralph Swift, Minot Thayer, Barbara White, Marion White.

The appended report of Headmaster Howland will give definite information relative to Haverhill Academy. Last year's record enrollment has continued; transportation facilities are adequate; the comfort and convenience of the Academy building have been improved; and a slowly increasing interest in better scholarship is becoming apparent. There are altogether too few pupils who are conspicuous for their scholarship. Low ranks are generally due to a lack of application, to the false impression that the chief thing is to pass, and to failure to spend sufficient time out of school on daily tasks. Parents can be of invaluable assistance in this matter by insisting that their children at home give plenty of time to their daily school work. The teachers must have the co-operation of the home, if any progress is made in bettering the scholarship in the high school.

In the fall term at the request of the State Department of Education an exhibit of school work followed by an address by Mr. W. Y. Morrison, State High School Agent, was held in the Town Hall. Teachers and pupils from several schools in town illustrated various phases of actual classroom work. Education Week was noted in all schools by special programs or by urgent invitations to parents to visit school. At Number Six Mrs. Howard held an evening session, conducting regular classes, in the presence of all of the parents and citizens of the community. All along the line teachers are to be credited with special activities as well as with an earnest endeavor to do the job well in all its aspects. It is this excellent spirit on the part of our teachers which makes us optimists on the subject of education.

Respectfully submitted,

NORMAN J. PAGE.

## REPORT OF THE HEADMASTER OF HAVERHILL ACADEMY

---

To the Superintendent of Schools:

I offer herewith my first report as Headmaster of Haverhill Academy.

The program of studies for 1923-1924 is as follows:

Academic Curriculum—1st year: English, Latin, Algebra, History of Civilization; 2nd year: English, Latin, French, Geometry; 3rd year: English, Latin, French, Physics; 4th year: English, U. S. Constitutional History, Latin, Review Mathematics or French or Physics.

English Curriculum—1st year: English, History of Civilization, Algebra, Arithmetic and Bookkeeping; 2nd year: English, Modern History, Geometry, French; 3rd year: English, French, Physics, Economics and Business Practices; 4th year: English, U. S. Constitutional History, Review Mathematics or Physics.

Domestic Arts Curriculum—1st year: English, History of Civilization, Algebra or Practical Mathematics, Household Appliances; 2nd year: English, Modern History, French, Physiology and Nursing; 3rd year: English, French, Physics, Household Organization; 4th year: English, U. S. Constitutional History, Physics, Household Management, Physics or French.

Agricultural Curriculum—1st year: English, History of Civilization, Algebra or Practical Mathematics, Animal Production and Shopwork; 2nd year: English, Modern History, Geometry or No. 2 French, Plant Production and Shopwork; 3rd year: English, Economics and Business Practices or French, Physics, Rural Life Problems and Shopwork; 4th year: U. S. Constitutional History, Farm Management and Rural Life Problems and Shopwork, Physics, English.

Pupils registered for current year 80. Present Enrollment, 75; boys 28, girls 47

First year class 23.

Second year class 25.

Third year class 9.

Fourth year class 18.

Curriculum—Academic 11.

—English or General 48.

—Domestic Arts 6.

—Agricultural 10.

Tuition pupils come from five towns—Wentworth 1, Warren 3, Benton 2, Orford 1, Piermont 6.

The most popular course of study at present seems to be the General Curriculum. The number of pupils electing the Academic Curriculum is small every year. However the Academic Curriculum after all offers the best training to an industrious pupil not afraid of hard work.

The class of 1923 was composed of the following: Dorothy Carter, Walter Clark, Myrtle Holt, Rupert Blaisdell, Josie Fadden, Harold Ramsey, Nathalie Smith, Maxine Lawless, Marjorie Hardy, Marjorie Brown, Lucy Harriman, Clyde Foote. First honor in this class was attained by Josie Fadden, second by Harold Ramsey. Third and fourth honors went to Myrtle Holt and Rupert Blaisdell respectively. Of this class four attend Plymouth Normal School, one Concord Business College, one the Kimball School.

The Moosilauke Club has been continued with meetings at frequent intervals. Several school socials have been held and the Senior Play has been given in two places, Haverhill and North Haverhill.

Two basketball teams, boys and girls, are organized under the direction of Mr. Dockler and Miss Morrill respectively. The boys' team so far has won six out of nine games. Both coaches have been successful in inspiring in their teams a better spirit of team play and a more sportsmanlike spirit than has been the case in the past. A baseball team will be organized in the spring term.

Haverhill Academy suffered a great loss early in the fall term through the death of Headmaster J. C. Bailey. On account of his illness and death conditions arose which for some time caused the discontinuance of the agricultural classes. We are endeavoring in the balance of the year to make up for the time lost in this department.

There are three new teachers in the school this year. Teachers' meetings are held once a week in order to obtain a proper spirit of cooperation and to help us all to work toward the same ideals.

Several additions and improvements in the Academy building are greatly appreciated by both students and teachers. The new heating plant is a great asset as this is the first year in my four years' services that the building has been kept comfortably warm during the winter months. A new dictionary and a new twenty-four volume encyclopedia have been added to our reference books.

Through the generosity of Mrs. Bailey, the agricultural books of the late Headmaster have been presented to the school under the name of the J. C. Bailey collection.

For the first time in several years an orchestra has been organized and we hope to make this a permanent organization.

One of the boys, Louis Pike, attended the Y. M. C. A. conference at Portsmouth. He took notes of the various proceedings and gave an interesting talk before the school upon his return.

Mr. E. R. Conlon, State Secretary for Boys Work for the State Y. M. C. A. also spoke before the school upon his experience in foreign countries. In connection with the Y. M. C. A. formation of a boys' Hi-Y club is being considered.

The attendance has been very satisfactory considering the effort which many of the pupils have to make in order to attend school. Many more pupils have been tardy than is necessary, those living near the schoolhouse being the worst offenders.

The standard of scholarship should be materially raised. This can be accomplished only when more of the students look upon good work and good grades as a matter of pride and when they are not satisfied with merely a grade sufficient for promotion.

Respectfully submitted,

C. E. HOWLAND,

Headmaster.

Feb. 6, 1924.

## TREASURER'S REPORT

---

I submit the following report as Treasurer of Haverhill School District for the year ending June 30, 1923.

### RECEIPTS

---

### AUDITOR'S REPORT

---

I have, this day, examined the accounts of the School Board and Treasurer of The Haverhill Town School District for the period from July 1st, 1922 to June 30th, 1923 and find them correct.

I find a cash balance at The Woodsville National Bank on June 30th 1923 of \$531.79, but inasmuch as I find out-standing checks Nos. 407, 823, 1710, 1765, 1786, 1804, 1825, 1832, 1833 and 1836 totaling \$266.10, the actual balance in the hands of the treasurer is \$265.69

Two notes (Temporary Loans) amounting to \$5,-500.00 were destroyed by burning in the presence of The School Board.

There are out-standing two notes amounting to \$4,500.00 which will mature Feb. 15, 1924.

M. A. MEADER, Auditor.

Haverhill, N. H., July 11, 1923.

# SCHOOL BOARD BUDGET FOR FISCAL YEAR, JULY 1, 1924 TO JUNE 30, 1925

---

	Elementary Schools	High School
I. Budget (School Money):

## VITAL STATISTICS

---

To the Selectmen of Haverhill: In compliance with an act of the Legislature passed June session 1877 requiring "clerks of towns and cities to furnish a transcript of births, marriages and death to the municipal officers for publication in the annual report," I submit the following Vital Statistics:

I hereby certify that the following return is correct according to the best of my knowledge and belief.

A. F. KIMBALL, Town Clerk.
